A COLLEGE BASED ON MERIT

Founded by businesswoman Sandra Bruni Mattei: an institution open to the world ever since its first international partnership, which was signed only three years after the College opened in 1978.
Agreements and collaborations with: University of Mainz | University of Heidelberg | Barnard College - Columbia University, New York | Ochanomizu University, Tokyo | Shandong Women’s University and China Women’s University, Beijing and other institutions of the WEW-Women’s Education Worldwide network, such as Dubai Women’s College | EuCA, European University Colleges Association | WPSP-The Women in Public Service Project (promoted by Hillary Clinton).
Talented students from all over Italy and the world enrolled in the Pavia academic system made up by a prestigious University and an Institute for Advanced Study: offering a wide selection of degree programmes taught in English.
An interdisciplinary environment, empowering you for work-life balance.
Acknowledged by the Italian Ministry of Education University and Research as a College based on Merit – just 14 all over Italy.
And… Students coming from Collegio Nuovo’s international partner institutions benefit also from the status of University of Pavia’s “exchange students”, i.e. exemption from University fees and free access to the University’s facilities.

YOUR HOME… IN ITALY

Pavia, a city tailored to University students and scholars

Founded in Roman times, Pavia has a unique captivating atmosphere along the river Ticino. A perfect place to live and study, within just a half an hour way to Milan. Ancient churches and buildings, a Renaissance style Castle, an XVIII century Theatre, a University founded in 1361 and a network of Colleges home to a wide range of cultural and sport events.

Collegio Nuovo: a women’s College

112 single rooms with private bathroom
Full board meal service (3 meals per day, 7 days a week)
Open access 24/7
Free Wi-fi
A beautiful garden and many common areas, including a library/study room, a tennis court, an indoor gym hall and sports fields for training with the College’s teams. Directly facing the Science and Technology Departments, 10 minutes to the School of Medicine and 15 to the Humanities Departments and the old town.

Collegio Nuovo: a co-ed Graduate Residence

50 comfortable and modern apartments, with private bathroom and kitchen
Opportunity to access to the College’s academic, sports and leisure facilities.

Collegio Nuovo, Via Abbiategrasso, 404 - 27100 Pavia - Tel. +39 0382.547206/5471 | 0382.526372; Fax 0382.423235

AN INSTITUTION THAT TAKES CARE OF YOU

Collegio Nuovo - Just for you: Tutoring service and job orientation programs, leadership development, language courses, season tickets for musical and theatrical events in Pavia, networking with College students and Alumnae and other international visiting students.

Collegio Nuovo - Open to all: academic courses accredited by the University of Pavia, meetings with keynote academics and professionals such as Fabiola Gianotti, CERN Director, Senator Emma Bonino, Past EU Commissioner, writers David Grossmann and Niccolò Ammaniti, film directors Liliana Cavani and Gabriele Salvatores.

Having never been to Pavia before, I was pleasantly surprised at the city atmosphere and the long history of top-notch education at the University of Pavia. Hannah Goldstein, Student Barnard College – Columbia University, New York

Collegio Nuovo allowed me to meet people from all over Italy as well as the rest of the world.
Mabel Asensio Sevilla, Professor of Mathematics, University of Salamanca, Spain

At Collegio Nuovo I learned the importance of being free in my choices, especially in the professional ones. I will treasure the experience!
Aiko Iwatsuki, Student Ochanomizu University, Tokyo

I found Collegio Nuovo to be an internationally-oriented institution.
Alexa Jackson, Student Wellesley College, USA

It is no exaggeration to say that in real measure I owe my success in the field of Italian studies to the time I spent at the Collegio Nuovo. There blossomed a vivid intellectual life of conferences and rich collegiality.
Rodica Diaconescu-Blumenfeld, Professor of Italian, Vassar College, USA

The network you will build here will be among the most meaningful in your life.
